Dear all,

The persons in copy are the ones who confirmed. Based on the replies received so far, we chose to host the meeting on Nov 15.

For the other ones, could you let us know asap if you plan to attend ?

Logistic:

Date: November 15, 9:00am -> 5:00pm ET

Location: Cisco Systems - Boxborough

Airport: Logan Airport (~1h from Boxborough) <http://www.massport.com/logan/default.aspx>

Directions: <http://www.cisco.com/web/about/ac156/boxborough.html>

Hotels close to the office: see below

Lunch will be served (Pizza, Cookies) in the meeting room.

Feel free to call me on my cell phone if you need any help: 978 337 5398.

Let me know if you will travel back on Nov 2, in which case we could go for dinner on Nov 1.

Here is a proposed agenda:

- * Review of the current IDs (5-10min per IDs max)
- * Discussion of the proposed charter: 2 hours
- * Organization of the BOF: 2 hours

(, IETF 16ng Working Group Chair,
